Welcome to Oilfields High School! Please read through the following to learn about Oilfields and the registration process for your student.

Together we achieve through strong relationships and community involvement

Students and staff take great pride in being Drillers and proudly wear the school colours of black and gold. Our school staff know the students, as learners and as individuals with unique talents and interests. We are proud of our students and we celebrate them at every opportunity.

Together we achieve through ambition and aspiration

At Oilfields our enthusiasm and excitement for learning drives our students to academic success. Our school is a caring, positive and supportive environment that empowers everyone to do their best and be involved, where all students are given the opportunities to achieve success.

Together we achieve through dedication and commitment to excellence

Oilfields teachers are truly dedicated to student learning, providing opportunities and choice for students to be successful. As a school, we design learning to develop student literacy, numeracy and competencies using the principles of High School Redesign.
